## Disability Parking and Venue Access

### U of M – Disability Parking

Signed disability parking spaces can be found in all public/visitor parking facilities at the posted rate. You may park free at campus meters and signed on-street locations for a maximum of three hours. After three hours, meter patrons must either relocate their vehicle or pay the posted meter rate.

A **state-issued disability permit or license plate is required** to use these spaces. To apply for a disability permit, call the State of Minnesota at [651-296-6911](tel:651-296-6911) or University Disability Services at [612-626-1333](tel:612-626-1333).

All U of M venues provide access to persons of disability including the Banff Mountain Film Festival (held at the Willey Hall Auditorium).

There is no disabled access at the Expedition Stage located in Midwest Mountaineering.
